

i-mop XXL

Powerful, agile auto scrubber

Designed for medium-to-large floor areas, the i-mop xxl is an extremely manoeuvrable battery-powered floor scrubber that provides exceptional results in a short period of time.

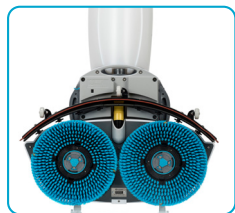

Click on / click off

Easy to fill, clean & empty and use different tanks for different chemicals.

Easy transport

Inbuilt wheels for easy transport with folding deck to save storage space.

Extreme cleaning power

350 RPM brushes and 32kg of scrubbing pressure means i-mop xxl has up to double the cleaning power of comparable size traditional scrubbers.

Easy to use

No PhD required to operate the machine which includes an eco-mode that allows you to save additional water when needed.

Battery operated

Hassle-free cordless operation. Run 24/7 with a 2nd set of batteries.

Extreme mobility

Low profile deck to clean underneath objects offers 360 degrees of flexibility.

Reduce slip and falls

Scrubs the floor clean and removes all solutions, leaving floors dry in seconds.

Suits all floors

Array of brushes and pads available to suit timber, vinyl, tiles, stone and concrete.

Why i-mop XXL?

- > Extremely manoeuvrable and user-friendly scrubber dryer
- > Dirt removal rating of 97% compared to traditional mopping methods of only 30-40%
- > Up to 6 times faster than mopping
- > No more tide marks; i-mop xxl cleans right to edges
- > No trip hazards – runs on portable lithium batteries
- > Light enough to conveniently transport upstairs and between sites
